OPTIMIST CLUB OF ST. JACOBS

October kicks off a new Optimist year and we are planning for this to be a great year for the youth in St. Jacobs and Woolwich Township. We are continuing with many of our established events and activities and adding even more including sponsorship of a bike rodeo and safety clinic and an oratorical competition.

We kicked off the year with a new fun filled activity - our first annual Plunger Plop. We combined efforts with the Optimist Club of Elmira and hosted an awesome day of fun and competition. The winning trophies were taken home by a team led by Captain Ty Deweerd. We are looking forward to an even bigger and better event next year.

Sponsors The generosity of these local businesses helps us to deliver on our promise of bringing out the best in kids.

The focus of our Club is the youth of our community.

We provide opportunities and activities for children to develop skills and have fun.

From sports to community programs to our Leadership Development initiative we cover a broad range of ages, abilities and interests.

We believe that by improving opportunities for youth in the community builds a better community overall.

We are a small energetic group of volunteers who are making a difference in our community.

We meet at 7:00 pm on the 4th Wednesday of each month upstairs at the firehall in St. Jacobs.
